The Ballantyne was being played on 17th July at Waterstock Golf Club, Oxford against Rose Hill. Ray wished the team good luck.

Handicap Report

There was nothing to report.

Competitions Report

Gareth apologized for his absence from this meeting.

“Since we last met there have been four club competitions with some tremendous scoring.

The winners and runners up have been listed below.

Competition	Winner	R-up
GGT rd 6	Owen Reynolds 43pts	Terry Simmons
Ancient Clubs trophy	Owen Reynolds net 63	Ryan Levin
July Medal	Matt James net59	Gerry Devein
Lavender Cup	Gareth Reynolds 45 pts	Michael Shaw

Despite continued reminders I am having to regrettably disqualify members from competitions for silly reasons like not putting a date on the card, incorrect recording of scores and no signature.

Thinking ahead to next year's club championship I would like to propose members play in at least 2 club competitions (representing the club not included). I personally don't agree with players turning up to win high value prizes and not being seen again for the rest of the year, if anyone is in agreement could I get this seconded ?

We have the captains day which I personally will not be available to attend, sorry Ray and the memorial day in August, what can I do to help in setting these days up ?

AOB

Need to check stock of medals for presentation at AGM.

Andrew Pibworth had agreed to audit the accounts again ready for the AGM.

The committee recommended no increase in subs but would put it to the members.

The committee recommended that for next year's competitions we should include more strokeplay and less stableford in the summer months.

Pete Smith's and Botty's day to be organized.

Email to Eddie Lavery as regards any news on the reinstatement.

The dust on the course was quite bad and members were urged to report to the Environmental Health.

Dinner Dance had been booked for Saturday, 10th December 2022 at the Bull Hotel.

Next meeting Monday, 1st August 2022
