£50 has now been agreed as the subscription until the end of the year, 1st April 2020.

Captains Report

Need to promote more players and sponsorship for Captains Day.

Rickmansworth cancelled the two matches due to heavy calendar but will reintroduce next year.

Haste Hill match being put on noticeboard.

Seniors

No report.

The committee have recommended that Andrew be offered an Honorary Membership of the Club due to his tireless efforts in running the Seniors and supporting the Club in many campaigns. He will invite him to one of the events in due course.

Handicap & Competitions

August Monthly Medal – Terry Mitchell

Memorial Cup – Michael Dempsey

The handicap software applied an exceptional handicap reduction to Mick Dempsey who is now playing off 11.6.

Scott helped Zaro review the list of players and Zaro deleted some 15 members from the software as they are not paid members of the club.

All handicaps are up to date. A new handicap list has been posted on the board and published on the MasterScoreBoard website.

AOB

The Eclectic to be played in conjunction with medals.

The committee have had to regrettably decide, due to the lateness of the Matchplay rounds, that in future Matchplay competitions no extensions will be granted. The rules will be put up with the Winter Knockout sheets. Those who cannot comply should not enter the competitions.
