Secretary Report

£15,906.71 in bank.

97 current paid members.

Captains Report

Steve struggling to arrange Haste Hill match. Recommended to put in club calendar next year. Matt James to do new calendar. Steve to try and get it organised this year.

Alan Eeles booked for this Saturday.

Handicap Report

New player registrations into WHS can only be done directly onto the WHS system. Previously, we could use our HandicapMaster software and it would do the registrations for us. Now we have to enter player details into both the WHS and into Handicap Master. In effect, England Golf have completely removed all handicap related functionality from the clubs' software systems. They consider those to be only for competition and club related matters.

First initial handicap cards recorded for Zac Meeking and Kevin Parish.

International score entered for Neil Reynolds.

Competitions Report

Since the last meeting the following competitions have been held with these results:

Joe Mack Trophy	George Gallagher	Ed Osmond
Midweek Medal	Cancelled	Cancelled
GGT rd 8	Dave Murison	Neil Gray
October Medal & Ryder cup Saturday	Darren Mcnutt & ROW	Ryan Levin & England

Nice to see a new member Dave Murison picking up a victory in the Eighth round of the Gale Gallagher Trophy. Congratulations to the other winners and team ROW for their victory on Ryder Cup Saturday. There is just one doubles semi-final still outstanding, I understand it is being played this week. The council have replied to an email I sent about the condition of the bunkers, their priorities have been on other elements of the course recently, but a small team will be “back on bunkers over the coming weeks”. I would suggest in the worst effected free relief is taken within the bunker up to two clubs length.

Winter rules are now in force until the 30/4/23.

Gareth Reynolds
Competition Secretary

A.O.B.

Complaint to go to LBH, by email, about the conditions and concerns re course this Winter.
Twitter account to be set up to put feedback forms about their experience at Uxbridge.

Committee thanked Matt for sorting computers. Matt to push members to use app for scorecards.

Ross Baker has agreed to take over as Competition Secretary from 1st January 2024.

Meeting ended at 19.45 hrs.

Next meeting Tuesday, 7th November 2023 at 18.30 hrs.
