Ray thanked Steve Littlejohn and Darren McNutt on being runners up in the Top Rock Salver.

Club tops and shirts have been ordered from the Complete Golfer.

The club are going to draft an email to the Council expressing disappointment on the disease on the greens for the second year running and the general state of the bunkers.

### **Handicap report**

1 new handicap issued. Rob Ogundere.

Zaro would like to encourage people to put more general play cards in.

### **Competition Secretary's Report By Gareth Reynolds**

There have been four competitions played since we last met.

The winners and runners up have been listed as follows:

<b>Competition</b>	<b>Winner</b>	<b>R-up</b>
September Medal	Gerry Devein net 69	Clive Cooper net 71
Joe Mack trophy	Keith Neave 38 pts	Terry Simmons 37 pts
GGT RD 8	Matt James 41 pts	Terry Simmons 38 pts
Alan Eeles Cup	Owen Reynolds net 67	Andy Hills net 67

I have granted an extension for the Singles semi-final and the doubles final as they both include the same player and at this stage of the competition, I felt it only right to have all matches played. Ray Cooper awaits the winner in the singles and I believe the doubles final is being played on the 15<sup>th</sup> of this month.

The GGT concludes this month with four players still in with a chance of winning the competition, Matt James leads, followed by Maurice Hennessy, Gareth Reynolds and Stuart Lynn.

The entry sheets for the winter doubles will be put up this week with matches to commence in November. It was decided after last year that the winter singles will cease to be played.

### **Any Other Business**

The committee have instructed Andy Hills to do sign-writing.

Ray thanked Mick for organising holiday to Spain.

Discussion took place about a bush being planted in memory of Steve Browne. Greenkeepers agreed for it to be planted near the putting green with a plaque.

Meeting closed at 7.40 pm.

Next meeting is Tuesday, 8<sup>th</sup> November 2022.
