Alan Eeles Cup postponed and can be played November 2nd 3rd 4th week Nov.

All Handicaps are up to date.

Two new members have one card in the system.

I have informed any new member that one of their cards must be completed with member of the committee.

Standard of cards has really slipped; this is probably my fault as I have been too lenient. I could have DQ 12 people at the last comp, which I felt, would have been overkill.

The issue is how we complete the cards, not people signing for an incorrect score so I decided to let it go. I also wanted the committee to know that moving forward DQ's will happen. Even if it means a large DQ.

Future Comps

Winter rules commence 1st October 2018

Winter Eclectic will start November 8th

We should decide the format of a pairs Winter Knockout

Roll Up Suggestion

I think that we should suggest that the roll up has a little organisation. I know that it will be difficult but maybe as is the case in many other clubs there are a couple of guys who take ownership of it. Depending on who runs the book the roll up runs from carnage to complete no one has a clue what is happening.

JUNIOR SECTION

9.1 Nothing to report.

ANY OTHER BUSINESS

10.1 Steve Ward put his name forward to run a Scratch Team next year.

10.2 Some of the honours boards are nearly full so need a price for new boards.
