### Secretary Report

Anne reported that as of 20<sup>th</sup> Oct there is £15,926 in the club account and that we have 93 members. Target is to get this to 100 before the new season which is April. We will offer £40 membership balance of the season. We need to plan AGM and agreed date is 27<sup>th</sup> Nov 21

### Captains Report

Due to work commitments Pete has not managed to do but would like to thank all the members for their continued support.

### Handicap Report

The WHS now allows for a HC review which has not been the case until now. It has been recommended that a couple of players have been suggested to move their HC up and no suggestions for cutting. Zaro will provide the information and KN, ZM, MG & SH will review.

The committee thanked Zaro for the fantastic job and his commitment to club.

### Comp Report

All comps are extremely well attended. The Summer knockouts are coming to an end and have taken a long time to complete. This has been to numerous reasons, a truncated start to the season, heavy club commitments for external club comps.

However, for the Winter comps we need to make it very clear to the members that we will not be giving extensions to round completions dates other than course closure.

KN will advise again that the onus is on the first name out of the hat to arrange the match and offer 3 dates to their opponent. The winner of the match must enter the result in the system.

Closing date for entry of both Winter knockouts is 31<sup>st</sup> Oct. The draw will take place 1<sup>st</sup> Nov.

### AOB

Dinner Dance is 11/12/21 and full payment by 10<sup>th</sup> Nov

AOB

The club has suffered another sad loss “Botty”. MG is to talk with Peter around a fitting memorial and look to combine a memorial annual golf day with “Smithy”

MG & SB are meeting with Eddie Laverty who is head of golf LBH and will report back findings. Main discussion points will be course re-instatement and block bookings on a Saturday & Sunday

There being no other matters meeting closed and suggest date for next committee meeting is 2<sup>nd</sup> Nov. This is close to this meeting but given the meeting with LBH we should discuss soon.
