September Medal Abandoned Abandoned

Not much to report this month as only two competitions were completed as last weekends was abandoned due to lack of competitors. Rob Thomson won the Captains Cup in a very low scoring competition with 18 members managing par or better. So pleased to report that Peter Thorpe, Steve Maynard, Neil Tilley and Ian Britain won the memorial day Texas scramble.

We are at the semi final stages of the summer match play, so hopefully these and the finals can be played in good time.
